3-4 year olds R150 Per term (they year they turn 4)

4-5 year olds R200 per term (they year they turn 5)

Why is stimulation your little one important?

Consider this: The future success of every child is in many ways determined before he or she turns 8. During those early years, how that child learns and develops — mentally, emotionally and socially — is critical. This isn't a theory. It's a fact. So how can we expand and improve access to early childhood education? We can start by understanding more about it.

What is early childhood education, exactly?

Early childhood education is a broad term used to describe any type of educational program that serves children in their preschool years, before they are of legal age to enter preschool. Early childhood education may consist of any number of activities and experiences designed to aid in the cognitive and social development children before they enter primary school.

Why is early childhood education so important?

- Far too many children enter pre and primary school not prepared.
- When unprepared children begin school behind, they tend to fall further and further behind.
- Children who are at risk of not doing well in school gain significant benefits from quality childcare.
- All children need to enter school ready and able to succeed.

Cognitively:

- Improves school performance
- Improves maths and language abilities
- Benefits thinking/attention skills
- Reduces remedial
- Lowers school dropout rates

Socially and emotionally:

- Improves and strengthen interactions with peers
- Decreases problem behaviours
- Encourages more exploratory behaviour
- Helps adjustment to the demands of formal schooling

Long-term positive results and cost savings of Early Childhood Education

- Increases lifelong earning potential
- Achieves better academic outcomes

It is very important to stimulate /educate your little one!

Caterpillars Playgroup is a private playgroup with Christian values and caters for children between the ages of 4 months to 4 years. We follow a fun, educationally stimulating and age appropriate curriculum for each of our age groups, including babies.

Our activities and experiences are specifically designed to aid in the development of cognitive, social, motor and communication skills of children. We also encourage loads of vital outdoor play.

Caterpillars Playgroup operates from Monday to Friday between 7h00 and 12h30. Aftercare is available from 12h30-17h00. We are not open on public holidays.

Caterpillars Playgroup is open throughout most of the school holidays. However, we will close for a week or two in December/January. School fees are calculated annually and the annual amount is payable over a 12 month period.

At Caterpillars Playgroup, all daily meals (breakfast, lunch and snacks) are supplied. The cost of the meals is included in the school fees. All meals are age appropriate, nutritious, delicious and freshly prepared.

During every term, we have 2 extramural programs run at school once a week namely, Messy play and Music and movement classes. All children from ages 6 months+ participate. These classes are hosted by Chantal Hartley who owns FunkyKidz. The cost of these classes is also included in your monthly fees.

The facilities at Caterpillars Playgroup include a fun and safe outdoor play area, sensory garden, undercover arts and crafts area and comfy classroom.

Our maximum capacity is 12 children. This ensures plenty of much needed individual attention for each child from our qualified, experienced and loving staff members.

We have a daily communication notebook that gets packed in your child's bag daily, within that a daily evaluation of your child is filled in. We also send home a report with your child at the end of every term. You can also expect a few pictures of your little one throughout the day.

Our Vision: To provide a happy, secure and loving environment with dedicated teachers who facilitate the holistic development of each child.
